비전선언문 VISION STATEMENT

Tacoma First Baptist Church
is Holy Spirit filled community that
strives to reach out to the lost with the Gospel of Jesus Christ
as it builds bridges between church and community
connecting one generation to another, and one culture to another.

Through the last week’s message. I share that in order for anyone to stay in the community, you need the senses of belonging, identity, and duty. For the first two, you can find them through the village meetings. And this year’s motto is “A Church United through Small Group Fellowship” Through the small group, your identity is revealed and connected with other members of the group.

If you do not build up any relationship with people, it might be convenient but you would not grow. You might not get hurt by others but you will not be healed. There will be no joy in the Lord.

In order for one to stay in the community, you need one more thing which is the sense of duty. Lately, we had some rain but this Saturday afternoon, it feels like spring time. As I carefully look around I see greens around the trees. God’s touches are all around the nature. All nature has God’s purpose and also duty for each. “Multiply and fill the earth” with the command, all creations live with the duty.

As you have the feelings of belonging in the community, there is one thing you need besides the belonging and identity which is tasks. If you are not given works, you would not grow. If you do not have a duty, it is not fun. If you just receive but not share, you come like dead sea.

A church community is a body of Christ. Our body has thousands of functions and each part does its function. There is no part in the body that is not needed. Heathy body means all body parts are functioning. Each has its own duty and its task.

If a body does not move, proteins pile up, become obesity and diabetic, and vessels get clogged and become vulnerable to many disease. Compared to that, if you use the body, as you utilize all parts of the body and use the energy in the body and become healthy.

When I see people serving wholeheartedly, they serve with joy. No one told them to take care of the body of Christ. They take care of the body of Christ because of the grace of Jesus who saved us. As they continue, the sense of belonging increases and the sense of presence is also strengthened.

If I am a part of a community called, Tacoma First Baptist Church, Holy Spirit will give me the duty of serving. Just like our body, God has given us the parts to be responsible for. Through the worship and Bible study, we find the tasks and we serve as we are a part of the body of Christ. When the Lord calls, respond with “Lord, I am here, What can I do”

On Jan 20-21, Saturday and Sunday, there will be servant seminars. All who are serving in ministry should come and join. Also if you have completed God’s VIP class and willing to join ministry, you should also attend.

I pray that this year, you will find your identity through the community which is the body of Christ and serve the church with the grace, you will be connected with Christ and filled with the strength that Jesus gives.

I love you and thank you. I bless you in the Lord

In Christ, Senior Pastor David Choi
