Fall season is here. As we look around Tacoma, leaves have turned into red colors. This summer was hot with record temperatures but now we are at the beginning for the rainy season. Korea is facing Korean thanksgiving. It is for 10 days of holiday this year and many are able to go on a long vacation. There was news about 2 million Koreans visiting Foreign countries for vacation.

The situation is Korea is very unstable. As immigrants from Korea, and many of our families are Korean American families, we are concerned about the situation in Korea Peninsula. It is the time for us to pray for Korea and there is an opportunity to come together to pray.

Love Tacoma KM Revival (Oct 6-8) and Prayer Service for countries(Oct 11) are right around the corner. Let us bring our life matters to God as well as the issues that Korean Peninsula is facing together on Oct 11. In that sense, I ask you to pray for three things for these services.

1. Renew us
Revival means revive the spirit. We can not renew ourselves on our own. We can make small changes in our lives but we do not have the power or ability to get rid of sin issues and renew us. In order for us to be renewed, we must stand before the living word of God. Therefore with the word of God penetrating in our lives, we must repent and be forgiven by the blood of Jesus. Stand firm in the word. Give yourself a chance to stand before the word of God. He will renew us.

2. Let us proclaim
The second is, proclaiming our testimonies to our neighbors as it was emphasized many times. Telling the neighbors who changed our lives. Instead of coming with excuses of saying there is no one to share gospel with, ask God to give you heart to love the lost. Evangelism is the evidence that we believe in Christ.

3. Let us cry out.
The third, we need the raw, crying our prayers. Kids cry when they are hungry. As my situation worsens, the situation of the home country deepens, we must cry out to God like children do. As hungry child cries and thirsty deer seeks for a stream of water, desperate soul come and cry out to God. Spiritual walk is a spiritual battle. There is no polite soldier in the battle. If you are dying, cry out to God.

Let us come with "Renew us, let us proclaim, and let us cry out" to God with desperate prayers. God will send helping hands to those who earnestly seek God. As we believe that, let us cry out to God.

Everyone! I Love you. Thank you. And I bless you in the Lord.
