

To Loving members of TFBC

More and more, people are looking at the outer criteria rather than the center of the heart in this world. In Korea, there was a news report about over one million college graduates waiting to find a job. The number of unemployed young adults are increasing despite their efforts of getting skills and experiences to add to their resume. It seems the same for US as well.

We are living in this very competitive day and age and demanding time. However, our characters and personalities are dried up and not considered important compared to the resume that we build up.

In a time like this, we as Christians need to think about what God who sees the center of people really wants from us. God has a set of standards that He desires from us. When Israelites wanted a new king, even the greatest prophet of the time, Samuel thought the oldest son of Jesse would be the king that God will anoint as he saw the appearance of Eliab. However, God told Samuel this

But the Lord said to Samuel, “Do not consider his appearance or his height, for I have rejected him. The Lord does not look at the things people look at. People look at the outward appearance, but the Lord looks at the heart.”

God sees the deep center of our soul. He sees our hearts. He knows our actions and motives of our thoughts. He knows our good and bad intentions. He knows our good, bad, hard, and foolish hearts.

As I am doing ministry, I feel the joy of seeing great spiritual attractions from members or pastors. They might not have the best worldly standards but they are filled with hearts for God that they come off very attractive spiritually. If I see it, how much more God would see and be pleased with?

Whenever I find these kinds of people, I feel like I have found a treasure. This was a long intro but I want to introduce someone who is like that. It is Missionary Park whom I met during Eastern Europe Mission. I can see that God is with him even spending 10 mins with him.

Due to an unfortunate accident, He lost his leg. He left his stable ministry behind and became a father for gypsies in Hungary. As I saw his ministry and his ministry field last year and his fruits, I realized that God does see the center of people’s heart. He planted 7 churches in 10 years and he continues to minister to thousands of gypsies who were abandoned by the world as a shepherd.

Missionary Park will be coming to TFBC this week. He will lead one day mission revival this Wed. He will preach to KM this Saturday for early morning service and he will lead seminar at 7PM on Sat and also 2PM on Sunday. What I ask all of you is that you would grab this important chance as chances do not come often.

If I have told you that He imitate Jesus, then you should come and experience how God chooses His people and work through His people. Missionary Park even told me a couple of days ago, “Pastor, please tell your member that if they do not hear my testimony, they will regret missing this opportunity.” God wants to encourage, comfort and challenge you. Whoever has ears, let them hear.

I love you and thank you.
