

To Loving members of TFBC

The year is really coming to an end. As we reflect the year as a church, we spent the past year with the theme of United church through small groups. As I see the December calendar, I have been spending time to evaluate myself before God.

TFBC small group is Jesus Village Community. A village is the smallest small group at TFBC and the names of each village follows the name of the leader of each village. We call it Jesus Village because Jesus is the leader of all. We call it a community when there are 5 or more villages in the region. For Tacoma, it is called, Jerusalem community and Ephesus is the name of Puyallup region.

There are 6 communities in KM and there are also Senior Community, EM, KCM, Youth/YAM and then Agape class. The Jesus Village Community focuses on care, sharing, and evangelism.

First, we take care of the people in the village. After Sunday worship, we share the reflection of the message to one another and then lastly, we invite and bring people outside the community and church. Ultimately, we aim to multiply within year for each village.

Whether it is a funeral or wedding, I have witness the people of each village support and serve one another wholeheartedly. WMU and MMU support those times but the village is a special group where you share the word of God through life, I see how people share pain and joy together.

If there is anyone at TFBC who is not a part of a village, I encourage you to join a village to experience the love and serving in Christ.

In that sense, I invite all to Jesus Village Festival. Each community will perform, songs, skits, worship dance, musical and many other different performances to show their talents. When I saw performances at the past Jesus Village Festival, I was surprised to see so many talents that our church members have hidden till the performance.

From Children to Seniors, from KM to EM, I was happy to see many different talents. This years Musical brought us joy of seeing the great performance so now is the time for adults to shine on stage.

Right after the Jesus Village Festival, we will have a short Lord's support. It is also to send off the year 2018. After the festival and praise, we are spending some time to reflect our year before God. And then we will have a time of fellowship with snacks.

Even if you are not a part of a village, I ask you to come and also invite others. We have incited some of the local pastors and missionaries to come and be judges for the performances. There will be a raffle ticket drawing and award ceremony but it is the last opportunity to invite non-believers to church. I ask that you will use this time to perform before God and give glory to God.

I Love you and Thank you.
