

## New Year Greeting from Senior Pastor

New year of 2022 has come with hopeful. It might feel awkward to use the word hopeful since we are still going through endless variants of Covid-19. Ever since the pandemic, many are growing weary of the situation. When we thought that the unfortunate event of covid will cease once the vaccine came out but it seems like the virus is one step ahead of us. We don't know how many more vaccines we have to take in order to be safe. No one can guarantee.

In the last 2 years, there was an absence of a senior pastor at TBFC. I believe God's comfort is upon all who served and sacrificed during the time of the absence. However, there are many who are still tired and weary. Maybe some think and expect that new senior pastor will be like a vaccine who will bring happiness and bring an end all sadness. Starting Jan 1, God has installed this unworthy servant to serve as the 4th senior pastor of Tacoma First Baptist Church. It is only by His grace and the result of many tearful prayers of church members.

Therefore, as I am an unworthy servant, I will do my best to fulfill the role of Senior Pastor. There is one thing we need to understand. There is only one perfect vaccine in this world and that is Jesus Christ, our Lord who came to this earth. Only Jesus can be our good shepherd and take on our sickness of our sins and become the protection for all of us. Whoever believes in Jesus through His blood and body can have the power to overcome the sin.

I can't be your perfect vaccine but I will serve to preach the word and life of Jesus Christ who came as the perfect vaccine at Tacoma First Baptist Church. The world is getting darker and sicker. Let us arise and shine the light of Jesus to the darkness of this world and let us join in this ministry of bringing healing to the world that is sickened with sins which is worse than Covid-19 and I hope that you will join me in the ministry.

Brother in Christ, Kyung won Song
