VISION STATEMENT

Tacoma First Baptist Church is a Spirit-filled community that strives to reach out to the lost with the Gospel of Jesus Christ, as it builds bridges between church and community, connecting one generation to another, and one culture to another.

To Loving Members of TFBC
After visiting Korea...

I am writing this a day before my return to Tacoma. Crystal is pretty health but Noah was injured his leg before coming to Korea and he has been in bed with high fever since yesterday. Korea is having one of the historic hot summer. I feel like the whole country is a big sauna with humidity and tropical temperature so there are increasing lines to hospitals

However with the prayers from TFBC, we are able to finish our visit. Especially for my wife, MRI showed that her tumor has not grown so for next 5-10 years, she does not need to be tested which is a great news. Her skin condition is also treated with western and eastern medicine. I have some issues but after treatments, it would be ok. I was surprised by finding glaucoma in my left eye but if I continue to take care of it for the rest of my life, it will be ok.

I have visited 8 churches and organizations and preached in 6 churches. I had to worship God on Sunday at church so I took opportunities that God has given me to preach so I took the opportunity to learn. With the short time period, I was able to see various different ministry and be challenged by them. A church known for their early bird service, a church known for all night prayer, a church known for young adult worship, a church known for their small groups, a church known for their planting, a church known for QT and a church known for social justice, all the churches I visited preached and had fellowship with pastors and learned a lot.

I visited GangNeung with my children for a few days and I was able to have a good rest. I met a pastor who planted a church 25 years ago in an area where there is less than 5% Christian and I heard about how it is difficult to evangelize in Korea. His wife had a bleeding in her brain but she recovered thru tearful prayers of her members.

Korea is going thru struggle with North Korea nuclear issue, SAAD issue, and China's reaction to it, unstable political leadership, overheated competitiveness and its unemployment rate, ethnical issues of political, economical and religious leaders and disrespecting culture and with hot weather making it all worse. I saw a sad part of Korea but also realized how Korea has come this far with God's grace and I was able to deeply reflect on this.

In Korea, Christians are no longer welcomed in the society. But it is nothing strange as we remember Jesus' saying of world will hate us when we belong to Christ.

Weather churches in Korea or US, what we need to expect in terms of revival is we need to repent and examine ourselves and expect the love, resurrection power of Jesus that He will pour upon us as we do our best where we are.

I thank you all for praying for my visit to Korea. I will see you soon with gladness.

In Christ,
Pastor David Choi
