Planting a Tree Campaign Updates

848.43 trees / \$1,018,116 pledged.
Offering Total as of this week: \$958,335.77

What is our hope of the future? The answer is our children. So We talk a lot about next generation. We talk about it but not many invest in the next generation. Especially when one's child is no longer at church, their interests are no longer there either. However, it is not healthy Christian faith.

At least, at TFBC, there are many who invest in the next generation after their children are no longer in the education department. Many of them serve in the nursery, preschool and children ministry. TFBC is known for taking care of children well. Because they do such a good care, parents are able to worship. Lately we have many young generations of parents come to TFBC, taking care of their children is a crucial ministry for gospel ministry.

Recently, one of the old church member wanted to give gift cards to the teachers who are serving in the children dept. After counting how many, she was surprised that there were more than 50 in the education dept. She spent a great amount to prepare gift card and all who received were encouraged. It is the function of an adult.

Even our youth are different today. After the God's VIP class, I was surprised. I thought there was an Olympic. About 100 youth, young adults and adults were playing and cheering for basketball. I had a meeting til 6PM but my heart was in the gym.

I thought maybe it was because I told children not to play with cell phone at church during the joint service. I also saw how youth/yam were doing small groups on Friday night and they were serious about the small groups. I thought "I did a great job preaching" since I preached about how people who claim self righteous are excluded in heaven but those who confess themselves as sinners are lifted up in heaven. More than anything I think it was an influence of the prayer meeting of parents each Friday as they prayed for pastors, youth and young adults. The power of the intercessory prayers has casted away the darkness and created this new changes.

TFBC Korean school is famous in Northwest. Great teachers and parent volunteers do great jobs. Awana prepares and quips children with the word of God. Their memorized verses will last their life time. Many are also serving for Agape class for 3 years. It is on break but boxing class and soccer class have done great impact on children. Many stars rose up from the Christmas Musical for 7 years. VBS has established its presences in the Northwest as a well known summer camp in the last 7 years. Every time I see the group photo, my heart is filled with warmth.

The future is already in our hands. All these education ministries are not possible without the help of volunteers and attention from parents. Today, Sunday school is decreasing and children are leaving church because adults have been stubborn with the tradition and forgotten the true nature of gospel. Many are neglecting that God's love is upon the next generation. Without the revival of children, there is no future. However, you have been doing great jobs. And I ask you to continue to serve till Lord calls you home. There glorious rewards in heaven for you.

I love you and thank you. I bless you in the Lord

In Christ, Senior Pastor David Choi
