VISION STATEMENT

Tacoma First Baptist Church

is Holy Spirit filled community that

strives to reach out to the lost with the Gospel of Jesus Christ

as it builds bridges between church and community

connecting one generation to another, and one culture to another.

According to the well known statistic research in England, regardless of races and countries, the most depressing period is the second week of February. This week is the second week of February.

The reason is that your new year's resolutions have hit the wall of reality and things are not going your way. As you negotiate with the reality and even give up on things, you get depressed and your body gets sick.

How about you? Are you a warrior who is moving forward like 8cylinder sports car and never making mistakes or never having pressed thought? Probably, there is no one like that. It might be the other way around. As you have passion for things and as you see your goal and the reality is pretty far from each other, you would get more depressed and face slump.

Probers 16:1 and 9 tells us about our life. To humans belong the plans of the heart, but from the Lord comes the proper answer of the tongue. In their hearts humans plan their course, but the Lord establishes their steps.

Both verses mean same thing but first, the verses show us that our life does not go the way we want and second, they tell us that all our plan must be in God's sovereignty and third, they tell us that God is the only sovereign lord who allows us to produce fruits of life. Therefore as we understand this through our failures and depression in Feb, there is no better lesson than that.

I want to suggest one thing. Statistically February might be the most depressing month but let us challenge ourselves with new commitment before God for His kingdom because we know the road to God's blessing.

As a church, we set a goal to finish the thousand tree campaign this year. As we have new 60 pledges, we only have 150 pledges to go. and honestly I am a little bit depress. ^^ I thought it will be done at once but it did not go the way we planned.

The great constructions of parking lot, drainage pipe and remodling are complete. All the things that we have planned, it was finished by the grace of God and prayers and efforts of TFBC members. Now, we have \$00,000 left to pay off the loan. As all of us join in, we can finish in time so we need a little more of commitment. (One tree account is \$1200 account. As the book of Haggai showed, we compared it as it was building the temple. As each person make a pledge and give \$100 per month, it will be \$1200 in a year per person)

Starting this year, let us run to the kingdom of God with hand in hand. Let us run with the same heart, same will and same goal. With our new commitment, let us sweep away the depression. Let our hearts be fill with the mindset of how we can please God through church ministries. As we are pleasing to God, He will do all things.

Now, one of our dream is to build mission center in the 10 acre of Prayer mountain and use the facility to support missionaries to rest and have a time of refreshment. Also we could use it to have the churches of Pacific Northwest to have retreat and our children and families can have a retreat in a safe and close location.

As we go to the message of Proverbs 16, God shows us of what happens when things does not go the way we plan. There are two things. verse 3 says this. " Commit to the Lord whatever you do, and he will establish your plans." And verse 8 encourages us regarding money. " Better a little with righteousness than much gain with injustice." We need a new commitment for God.

I love you and thank you. I bless you in the Lord
In Christ, Senior Pastor David Choi
