as it builds bridges between church and community
connecting one generation to another, and one culture to another.

To Loving Members of TFBC

On Thanksgiving Sunday, September 16, 1620, pilgrims got on Mayflower and left England to find freedom of religion. After 2 months on the ocean, they arrive at Plymouth of Massachusetts. However after a long journey, a half of them died of sickness and hunger. Despite struggles and tragedies, on the next year, they build a chapel for God and gathered the first harvest. With the harvest, they gave thanks to God which became the beginning of America and the biggest national holyday for America and Church, Thanksgiving Day.

Thanksgiving service was different from what we were told that the first harvest was not so great. It was not enough to service the winter. So they had to receive help from the Native Americans. Considering how many died and how small the harvest was, they did not have much to thank for. However, with their faith, they remember that God is the receiver of the thanksgiving.

If you only give thanks based on the results, it is not true thanksgiving and if you constantly compare yourself with others, it is not true thanksgiving either. These two are parts of the reason for thanksgiving but this can lead to prideful Christian life.

If you give thanks with result based or comparing, it is unbalanced thanksgiving. You only thank God for the good result or give thanks comparing to other people's situation will lead you to rollercoaster Christian or prideful Christian.

The Biblical thanksgiving that we give to God is the absolute thanksgiving. Mature children give thanks to the parents with recognizing what the parents have done for them but also they give thanks to their parents for just being their parents who gave birth to the children.

In the same way, the absolute thanksgiving start with thanking God for saving us, forgiving our sins and giving us eternal and new life. Thanksgiving on the salvation must be the foundation for all thanksgiving. When you have the true thanksgiving based on the salvation from God, you are able to thank God despite of.

Today is the day we give the best worship To God who is our savior of our lives. We give our best, we praise our best, our best attitude for the message, doing our best to save the lost, and loving God with our best because God that we worship is the greatest God.

Let our church be the community that gives the best worship to our Greatest God. As we continue this, we will soon be in heaven that we hope every day.

I love you and thank you. I bless you in the Lord

In Christ, Senior Pastor David Choi
