

To Loving Members of TFBC,

Now days, I scream with joy, "Wow, can Washington weather be this good?" Despite being still in March, we have great sunny days and able to enjoy the sun. We see some of the flowers already blossoming.

Today, I am writing this after the Early Morning Saturday prayer as I look at the sun shining upon my window. KM Revival guest speaker's message on Friday resonated in our hearts. More hardship a preach experienced, more depth of messages he preaches and digs into our hearts. I was surprised by 2,000 average attendance for 70 days special morning prayer for church building constriction and out of 2,000 1,400 had perfect attendance but also shocked that one of the female fell off the stairs on the last day of the special early morning prayers and became unconscious.

In the midst of fear and hopelessness, he lifted up a prayer that touched my heart and also was blessed from hearing the she was healing completely as God answered the pastor's prayer. It is true that life of a person is in God's control and we must depend on God who is our lord and our creator.

I welcome in the name of the Lord all of you who came to this church for the first time. I also pray that those who recommitted their lives through this revival will be continued to be led by God.

Love Tacoma started with the purpose of loving and blessing our neighbors in the name of Jesus. It is the opportunity for us to invite neighbors who are not saved or not attending church and giving them opportunity to hear God's word.

However, evangelism is not the only thing a church is responsible for. The early churches follow Jesus' example of 2 fish and 5 loaves of bread and focused on mercy and benevolent ministries along with proclaiming the word of God. TFBC is known of mission and mercy/benevolent ministries.

The great views on our church are not limited to Christian newspapers. In the last several years, some of the local Korean newspaper had articles on our church and Korean Newspaper mentioned our church in September 15, 2015 edition.

(Moving away from self-centered focused church tendencies, Tacoma First Baptist Church(Senior Pastor David Choi) that reaches out not only Korean community but other ethnic Christians and community had Korean War Veterans' event on September 12 and it was a festival filled with thanks and touching stories.)

Thankfully, Local Korean Newspaper reporter evaluated our church like this. We also witnessed people in tears as we awarded scholarship to children of Fire Dept and Police Dept during Christmas and Easter. All sent us thank you card and one of the letter said that they were lacking in \$600 in the month but our church's scholarship has fill the gap in the finance and also one shared that he was touched by the gift of Bible.

This Easter, we will award scholarship to small local church pastor's children and public school students around our church. It is a great joy that we are able to support our community. As we proclaim the gospel to the world, if we continue to support the community, the world will open up to receive the gospel.

I love you and thank you. I bless you in the Lord.
