

To Loving Members of TFBC,

During KM service last week, it was a blessing to celebrate 100 year anniversary of March 1st movement. it was a time to study the history of Korea. Even if you are not a Korean, it is helpful to know since we do have many Koreans at TFBC. Many associate pastors shared that they never had worship like that before. We studied Nehemiah with the heart to pray for Peninsula since there are many immigrant families at TFBC.

Above all, we learn that we must have a healthy identity for our family, our environment and the people. We must also remember that there is something bigger in our hearts that is the kingdom of God.

Some share that they did not know much about Korean Baptist history but was able to learn and be proud of it. Both Korean Baptist and SBC are the same Baptist and share the same purpose and vision.

Korean Baptist started with Malcolm Fenwick from Canada coming to Korea on December 8 of 1889. Korean Baptist is in a crucial spiritual center because the Korean Baptist is the only denomination in Korea that refused to worship Japanese Emperor when other denominations did.

Because of that, 32 leaders were imprisoned in 1942 and the denomination was dissolved forcefully and lost all their properties. As a result, Korean Baptist denomination diminished to 10 pastors, 40 churches and 300 members.

The reason that Korean Baptist are not as big as Presbyterian or Methodist in Korea is because Baptist missionaries came to Korean later than other denominations and the number of Baptist missionaries were smaller. On top of that, with Japanese persecution, the Baptist Denomination dissolved so it almost ceased to exist. In 1950, with sisterhood relationship being set up with SBC, it started to grow. SBC i the largest protestant denomination in the world with 50,000 churches, and 16 million membership. With the help of SBC, after the Korean War, Korean Baptist grew and now there were 3,500 churches with one million members in Korea.

TBFC is a part of Northwest Baptist Convention and among 500 Baptist church in this area, we are one of the largest. There are 4,300 Korean churches in US and as a single denomination, there are 850 Korean Baptist churches which is more than any other denominations.

This year is meaningful year since it is 130 year anniversary of Malcolm Fenwick's mission in Korea. In Korea, they are celebrating 130 year anniversary with Korean World Korean Baptist Conference in April.

What I am thankful is that as representing Korean Baptists in America, our Emeritus Pastor Moon will receive a plaque of appreciation for the growth of Korean Baptist Churches in US during the conference. I will be sharing a message during the conference as I represent Korean American Baptist. It is our pride of TFBC and also a privilege given by God. Let us remember our history. Let us love our country, our family, our church and our God's kingdom.

I love you and thank you. I bless you in the Lord.
